Jeff:

Just heard back from St. Louis District - Ms. DeGregorio wants to meet with USACE personnel in St. Louis because she has not met them before and to generally talk about West Lake. Please advise of any time next Wed, Thurs, or Fri that would NOT work for you or Dan to participate in the meeting. We would set up a conference call to facilitate your participation.

Thanks,  
Robyn

Jeff:

See attached proposed responses to Ms. Kerry DeGregorio's verbal inquiries regarding West Lake Landfill. Ms. DeGregorio is the Constituent Advocate for Sen Blunt's office. Also attached is a copy of her

business card along with the cards for the other congressional staff that attended Monday's CAG.

St. Louis District also mentioned that Ms. De Gregorio requested an opportunity to meet with them next week in St. Louis. I do not know what topics she wanted to discuss or if they involve West Lake (might be FUSRAP-related). I am trying to get clarification. Will confirm if this meeting request is regarding West Lake. If so, I will coordinate through you regarding EPA and USACE participation.

Thanks,
